SUMMARY

I am a highly motivated and analytical professional with a strong foundation in problem solving, data analysis and project management. I am adept at learning new concepts quickly and I am able to thrive in a fast-paced environment. Eager to contribute to a team's success and bring a fresh perspective to the field.

EXPERIENCE

Attaché, 01/2023 - 04/2023

Utalii Hotel, Nairobi, Kenya

- Evaluated condition and operation of existing and building systems for carrying out maintenance and repairs.
- Adhered to strict safety rules and regulations during installation and repair of electrical components.

Attaché, 01/2022 - 04/2022

KPLC, Kiambu, Kenya

- I was attached to the department of Operations and maintenance (O&M) for a period of three months in which I was exposed to the activities of the department and gained experience in various areas such as isolation, testing and earthing of high voltage apparatus, fault diagnosis and substation commissioning testing.
- I was involved in the installation and maintenance of high voltage power lines.
